Partial sets of Bidding Documents will not be available from the Issuing Office. Neither Owner nor Engineer will be responsible for full or partial sets of Bidding Documents, including Addenda if any, obtained from sources other than the Issuing Office.

A **mandatory** pre-bid conference followed by a site visit to the areas of the project that are not publically accessible will be held at **10:00 a.m.** local time on **May 15, 2017** at the MCWD Engineering Office, 2840 4th Avenue, Marina, CA 93933. Attendance at the pre-bid conference is mandatory. Bids will not be accepted from any bidder who did not attend the Pre-Bid Conference. The site visit involves travel on unpaved roads.

The Project will be funded in whole or in part by the following funding sources in addition to District funds:

-
- Drinking Water State Revolving Fund (SRF) and Proposition 1 Ground Water (Prop 1)

Bids must comply with all requirements associated with these funding sources, including, but not limited to, USEPA Disadvantaged Business Enterprise compliance and American Iron and Steel. In addition, the successful Bidder will be required to comply with all requirements associated with the SRF and Prop 1 funding in carrying out the Project.

Since this Project is funded in whole or in part with SRF funds, the work must also comply with the minimum rates for wages for laborers and mechanics as determined by the Secretary of Labor in accordance with the provisions of Davis-Bacon. A copy of these wage rates is available on-line at <http://www.dir.ca.gov/oprl/DPreWageDetermination.htm>. **If there is a difference between the State and Federal rates, the higher of the two rates must be paid.** Attention is directed to the SRF Funding Requirements section of the Contract Documents.

Each bidder shall be a California licensed contractor pursuant to the Business and Professions Code and shall be licensed in the following appropriate classification(s) of contractor's license(s), for the work bid upon, and must maintain the license(s) throughout the duration of the Contract: A (General Engineering) or C-34 (Pipeline). In addition, the successful bidder will be required to self-perform at least 50% of the work.

Bid security shall be furnished in accordance with the Instructions to Bidders.
