Re: 15" Sewer Replacement Revised

We propose to provide labor, equipment & materials to complete the site and infrastructure improvements for the above referenced project.

Our proposal to include the following items of work only:

15" Sewer Replacement

To include the following items of work:

- Clear and grub for sewer installation / all spoils to remain onsite
- Tie in at existing sewer manholes – 2 ea
- Remove and replace existing sewer main with 15" SDR 26 – 260 lf
- Provide bypass pumping / based on 500 gpm
- AC patch paving – 1st Street

For the total cost of: \$85,200.00

We Specifically Exclude:

- All bonds, fees, as-builts, engineering and construction staking
- All construction testing
- Restoration of site improvements except AC paving at 1st Street
- Removal of clearing spoils

If you have any questions or other concerns please contact me at any of the above listed numbers.
