For your meeting October 15th 2018,
Unfortunately I cannot attend, as I don't drive at dark. I wish
you will consider this letter.

I recently moved to Marina from Albany, Alameda county, after my
husband passed away to be close to my children.

I am shocked at the water bills I have received since I moved
here. My latest bill was \$74⁶⁵, and of that my water consumption
was \$3⁶⁸ (see attached copy). This is much higher than our
bill was in Alameda county where we were a family of four
and had a large garden we watered.

I live on a very limited income - Social Security sends me
\$1760²⁰/month, and PG&E gives me a lowered monthly bill
because of this.

I urge you to consider your low income renters in your
community, and give us a much needed discount on the
very high fees.

I would appreciate a reply from you after your meeting,
with your decision.

Sincerely,

Mischa Wendel
