1. Call to Order:

The December 7, 2021 meeting was called to order at 4:33 p.m. by Director Cortez. In attendance via Zoom teleconference were:

- Committee members: Director Zefferman and Director Cortez
- Staff: Remleh Scherzinger, Kelly Cadiente, Teo Espero, and Paula Riso
- Public members: None

2. Public Comments on Any Item Not on the Agenda:

There was no public comment.

3. Approve the Draft Minutes of the November 2, 2021 Meeting:

Director Cortez made a motion to approve the minutes of November 2, 2021. Director Zefferman seconded the motion. The minutes were approved by a vote of 2-Ayes (Cortez, Zefferman), 0-Noes, and 0-Absent.

4. Discuss Video Recording Options:

Mr. Espero introduced this item and explained how the Video Archive Project would work. He noted that the District has a hard drive to transfer the old videos that Access Monterey has copies of. He said those videos, along with the new meeting videos, will be hosted on YouTube. The District will keep three years of videos stored on the network. By hosting the videos on YouTube, the District will save costs since Amp won't record and host the meetings. Discussion followed.

5. Community Relations Update/Ord Community Outreach:

Mr. Scherzinger noted that the new District website is up and running. He also stated that there were several proposals received for the Public Relations Request for Proposals and staff was completing a matrix of the proposals to review.

6. Update on the Shut-Off Moratorium:

Ms. Cadiente said the District is operating as though the moratorium will be lifted on December 31st. In January, staff is anticipating sending letters to delinquent customers they know what their balance is and allowing them to select a payment plan to bring their accounts current. She stated that customers will have sixty days to decide on a plan, otherwise, in March, shut off's will be issued. The Committee will report this update to the Board at the next meeting.
