

# Extract from the current Marina Coast Water District Board Procedures Manual

(Adopted March 9, 2009)

(1). Water Conservation Commission: The Board will select a Director and an alternate Director to serve on the Water Conservation Commission. There shall be one (1) voting position on the Commission for a member of the City Council of the City of Marina, one (1) representative from the US Army, and one (1) member from CSUMB. The Board will appoint five (5) members of the public from within the area served by the District, for terms of two years. The members of the Water Conservation Commission shall have the duties and responsibilities to:

(a) review ordinances and policies and recommend changes to the Board in matters of water usage by the customers of the District;

(b) review and make recommendations to the Board concerning refinements/adjustments to the water conservation program, including community education;

(c) review and make recommendations to the Board on customer appeals to the District's Water Shortage Contingency Plan, Conservation Ordinance, and conservation provisions of the District Code;

(d) review and make recommendations to the Board on equipment and technologies that promote water conservation;

(e) make recommendations to the Board for actions to inform the public about the District's actions and activities; and,

(f) work with the District staff to produce and distribute a periodic newsletter to the public served by the District.
