

NOTICE OF PUBLIC HEARING
Marina Coast Water District – Proposed Increases in Capacity Charges
for Central Marina and Ord Community Service Areas

Notice is hereby given that Marina Coast Water District (MCWD) will hold a public hearing at the following date, time, and place on the above subject:

October 21, 2013, at 7:00 pm
Marina City Council Chambers,
211 Hillcrest Avenue, Marina, CA 93933

Oral or written presentations may be made on the proposed increases at the public hearing. MCWD proposes to update and increase its water and wastewater capacity charges in order to continue to operate and improve MCWD's water and wastewater facilities for its Central Marina and Ord Community (former Fort Ord) service areas and to comply with Water Code Section 31007.

Availability of Public Date on How the New Capacity Charges were Calculated. A rate study, including information on the estimated costs to provide the services for which the new proposed capacity charges would be levied and the revenue sources anticipated to provide those services, has been prepared by Carollo Engineers, an independent consulting firm. The rate study may be viewed at www.mcwd.org or at MCWD's offices at 11 Reservation Road, Marina, CA 93933. MCWD has also placed a copy of rate study for viewing at the Marina and Seaside City Halls and the Marina and Seaside Public Libraries.

If you need special assistance to participate in this public hearing, please contact MCWD at (831) 384-6131. Notification 48 hours prior to the hearing will enable the District to make reasonable arrangements to ensure accessibility to this public hearing. [28 CFR 35.102-35.104 ADA Title II]
