Based on the recommendations of the District's General Manager and engineering and financial advisors, and the 2013 5-Year Water and Wastewater Financial Plan and Rate Study adopted by the Board of Directors on August 26, 2013, revised charges are necessary to meet operating and capital expenses for sound operation of the District in accordance with Water Code Section 31007 and to enable the District to provide continued water and sewer service within the District's Central Marina service area.
- C. The District's legal counsel advises, and the Board finds, that adoption of this ordinance is exempt from the requirements of the California Environmental Quality Act ("CEQA") pursuant to Public Resources Code Section 21080(b)(8) and Section 15273 of the State CEQA Guidelines codified at 14 CCR §15273.
- D. The rates, fees and charges adopted by this ordinance will not exceed the estimated reasonable costs of providing the services for which the rates, fees or charges are imposed and will not exceed the proportional cost of the service attributable to the parcel receiving the service.

- E. No written requests are on file with the District for mailed notice of meetings on new or increased fees or service charges pursuant to Government Code Section 66016. At least 10 days prior to the meeting, the District made available to the public data indicating the amount of cost, or estimated cost, required to provide the service for which the fee or service charge is levied and the revenue sources anticipated to provide the service.
