9. Action Items:

A. Discussion and Possible Action to Consider First Reading of Ordinance No. 58 Amending Section 6.08.080 of the District Code:

Mr. Brian Lee, Interim General Manager, introduced this item. The Board asked clarifying questions and discussed various solutions.

Agenda Item 9-A (continued):

Mr. Gary Stowe, Stowe Contracting, commented that the Ordinance didn't do anything more than define the supply pipe. He suggested using the size of the supply line into the building to define what size the fire service was. Mr. Stowe also agreed that a retroactive credit for the overcharge would be appreciated.

Mr. John Luddig, Pacific Monarch, commented that he wanted to see a reduction in the charges on his bill.

Following discussion, Director Le made a motion to consider the first reading of Ordinance No. 58 amending Section 6.08.080 of the District Code to read as follows, "For purposes of Section 6.08.080 and the Ord Service Area Monthly Fire Service Fees, the term "Meter Size" means the size of the backflow prevention check valve installed on the private fire service lateral and does not mean the size of the detector by-pass meter. If the customer or property owner can show the District, to the satisfaction of the District Engineer, that the pipe after the check valve is of a different size than the check valve, then the District can adjust the monthly fire service fee in accordance with the pipe size." Vice President Lee seconded the motion.

Mr. Masuda noted that the Board had to waive the reading of the entire Ordinance No. 58 before the motion on the first reading could be voted on.

Director Le made a motion to waive the entire reading of Ordinance No. 58 amending Section 6.08.080 of the District Code as amended. Vice President Lee seconded the motion. The motion to waive the reading of Ordinance No. 58 was passed.
