Open House and Bus Tours

This event is FREE and open to all who are interested.

Fort Ord closed on September 30, 1994. It was one of the largest U.S. military bases ever to be closed. While the Army has made significant progress cleaning up and transferring the land to the community, there is still more to do. Join us at our Community Involvement Workshop to learn the latest updates about the Fort Ord Environmental Cleanup.

The Army and its technical staff will be available to provide information on the following topics.

FORT ORD CLEANUP TOPICS:

- Munitions Cleanup
- Groundwater Cleanup
- Landfill Update
- Habitat Restoration
- Environmental Services Cooperative Agreement

And More!

Join the FREE bus tours, showing parts of the former Fort Ord that are currently restricted to the public. See first-hand the progress of the Fort Ord Environmental Cleanup. Bus tours last approximately 1 hour and 15 minutes long. Two tour times are available. Space will be limited. Signing up in advance will ensure a seat on the bus.
