The Public is invited by the Marina Coast Water District Groundwater Sustainability Agency (MCWD GSA) to participate in its Stakeholder Committee for Sustainable Groundwater Management Act (SGMA) compliance and Groundwater Sustainability Plan (GSP) development within the Monterey Subbasin.

The MCWD GSA is preparing a GSP in partnership with the Salinas Valley Basin Groundwater Sustainability Agency (SVBGSA) for the Monterey Subbasin, to be completed before the January 2022 submission deadline. The MCWD GSA is preparing plan elements for the City of Marina and former Fort Ord areas (i.e. the Marina-Ord Area) of the Subbasin.

Members of the Stakeholder Committee are invited to quarterly meetings where MCWD GSA will communicate progress on GSP components. The Stakeholder Committee are invited to provide input on upcoming decisions and work efforts. Stakeholder Committee meetings are open to the public.

The first meeting of the Stakeholder Committee is scheduled for **Tuesday, August 25, 2020 from 1:30 PM to 3:30 PM**. The meeting will be held remotely via Zoom conference due to Governor Newsom's Executive Order N-29-20 and recommendations on protocols to contain the spread of COVID-19 (see meeting details in an Outlook invitation to follow). The following information will be presented:

- Overview of the SGMA process;
- Status, schedule, and process of Monterey Subbasin GSP development;
- Review of key information in draft Chapters 1 through 4 (Plan Area and Hydrogeologic Conceptual Model); and
- Introduction to Sustainable Management Criteria development.
